Summary

drabbles that include skz, txt, n enha cus they're my ult groups atm!! :D

Notes

thigh riding; hyunjin, bang chan, lee minho, changbin.

thigh riding with skz!

hwang hyunjin who'd have you on his thigh as he coos at your flushed face. you two have been here for a goof half an hour, and you could say the reason why you were here on his thigh for so long was *technically* half your fault. it's just not your fault that you couldn't cum by yourself, you needed hyunjin to help!

he pouts before smirking at your whines, desperateness coaxing your voice. "jinnie, please.. wanna cum so bad." his hands go on your waist, guiding you on how to help yourself. "no one's stopping you my love, except for you anyways."

he pauses before his lips curve into a sly smile, "unless my poor little baby really can't cum without me?"

bang chan who'd occasionally flex his thigh, causing you to squirm and grab onto his shoulders for support as he focuses on his laptop infront of him. it was so mean too! you were right here, in a cute skirt and grinding helplessly on his thigh. so how could he ignore such a sweet thing like you? :(

needy whines could be heard from outside as he shushed you down, patting your head and encouraging you to keep going. "you can do it my love." he says, yet doesn't look at you! not even a tiny glimpse! you pout in response and hide your face in the crook of his neck, nibbling on the skin to try and get his attention on you.

but all it does for you is just another flex and an upwards motion of his thigh. a muffled moan coming from your sweet lips that are dying to be kissed. but before you could respond verbally, chan did it first; "stop trying to act like a brat before i treat you like one."

lee minho who would keeo his eyes on you no matter what. staring deep into yours as his hands guide your waist to control your movements. and in order for them to stop stuttering of course! "you're doing so great for me baby, gonna cum?"

with your lip quivering and the quick nod of your head, he smirks and closes the gap between your lips. tongue exploring your mouth as he swallows your sweet, muffled moans.

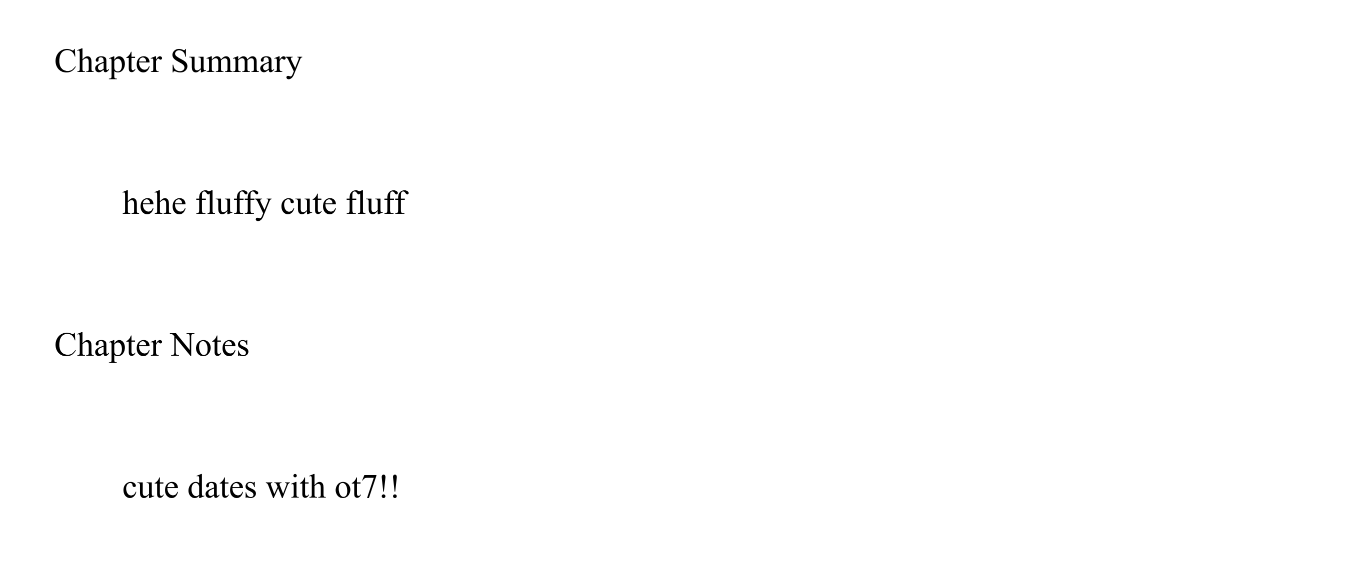

he loves it when you'd pleasure yourself while having to look at him, it gets you all cute and shy and he thinks your just so adorable! it makes him wanna cum in your even more, poor boy can barely contain himself once he'd see you with those cute doe eyes as you'd moan to your hearts content. :(

you'd introduce him to the idea first, seeing that his thighs are...

he questions it at first, but he's open to try things that you'd want so he accepts. he didn't know what to expect, but he knew he didn't expect to see you trying again for the second time. it just felt so good! the way he'd eye your movements as you quicken your pace, trying to cum again and keep the pleasure going. it just felt so good!

you could hear his breath hitch noticing the way your shaking and shivering all over, it must be the slight over sensitivity huh? yet that didn't stop you. whimpers and whines, begs and pleas, "so good"'s and "binnie"'s were all that could be made from you.

changbin knew that he'd have to rip you off of that orgasm, just so he can give it to you himself<3

enha date drabbles !!

hehe fluffy cute fluff

Chapter Notes

cute dates with ot7!!

See the end of the chapter for more notes

heeseung who'd make instant ramen with you.. (but fancy schancy) it'd be a simple kind, the spice level varies on what you'd like to eat. it was a simple idea really, but what made it special was the fact that you and hee were really in yout own world! splashing eachother with droplets of water, hugging from behind as the other were to check on the ramen, even just slow dancing together! his embrace on you wouldn't falter for too long, as all he wants before having to feed the members is just you <3.

of course, you two would sneak off and eat your ramen together without the other members pestering you two. it was simple yet so full of affection as you two continued to talk about nothing, ramen finished a long time ago.

jay who'd insist on going out and doing some shopping together. even if you were to decline and say that he's spent enough money on you already, he still wouldn't listen! he would love to see you all cute and pretty, wearing things he'd buy. clothes or small bracelets, he'd buy it. so in order to stop him you'd recommend that it'd be time to eat some yummy food! but of course he let's you choose everytime,, and so after a few minutes of playful bickering you actually win and he chooses the place!

(of course once he'd leave you alone at home to do something, he usually he comes home expecting you to be trying on the clothes and trinkets he had bought you a few days before. but what he sees is you sleeping in a hoodie of his. you know maybe he needs to buy more hoodies instead.. for "himself" of course!)

jake who'd offer you to go out with him and layla for a walk, and who are you to deny such a simple yet cute request? his flushed face is to die for! and so off you three are in a nearby park, walking layla and having sweet and simple conversations. the sun was in it's early stages of setting so jake had suggested a picnic! but you questioned him, "picnic? we don't have anything we need to start a picnic?" and so here was the start of your makeshift picnic!

while you held layla trying to settle on a not super pokey part of the grass, jake comes back from the super convenient store with a bag full of yummy snacks! plopping himself next to you and showing what you what he had bought, you'd give him a small peck before you took one of the snacks. you didn't see it but jake had another small blush painted across his face as he stared at you, admiring the small details of your face. <3

sunghoon who'd help you with ice skating. you knew he was a pro at it already,, but was it seriously this hard? you were falling over everytime you tried to move without sung, and he'd fall over laughing at you! after more playful banter he genuinely tries to help you ice skate, because he would die to see his lover enjoying something he's spent alot of his life doing. giggles and smiles could be seen from you both as he lead you with his arm, skating slowly to make sure you don't go too fast and bump into him instead!

after a while you'd get the hang of it! being able to skate without shaking was an amazing feeling as sunghoon would watch you from afar. his heart skipping a few beats seeing you speed into him..? and oops! you collide into his body as the both of you fall. loud laughs can be heard from hoonie as you were bright red and apologizing profusely. he doesn't mind though, he was just happy that you enjoyed something he loved! <3

sunoo who'd definitely take you on a simple ice cream date during mid day. you know he loves mint choco and he loves you for liking mint choco as well! even if you get endless playful remarks from the members with your, quote on quote, "weird taste in ice cream." so in order to stop that, he'd take you on a date to the nearest ice cream parlor with a nice view. he wonders if the two of you should share or get your own.?

"heyy, don't take it all!" you two decided on sharing one medium sized cup, it was a cute idea at first but now here you two are bickering about the other getting more.. oh no >

with a pout you'd turn away, sunoo won't take this behavior! he turns your head back to him as he feeds you some ice cream. but he starts to raise his voice playfully again once you don't let go of his spoon!

jungwon who'd suggest staying in his room and watching some sappy romace movie. but can he really focus on the movie when his cute partner is next to him, laying their head on his chest?! he feels like he could explode at any moment with how much he's filled with love for you. he inhales for a moment before speaking sweet nothings about how much he fucking loves you and adores you no matter what you'd do.

this would go on untill you'd be a blushing, embarrassed form of putty in his hands! dang him and his sweet talk :(. but you know deep down you love it when he spoils you with attention,, jungwon knows this as well. no matter how many protests, denials, or soft punches he'd get, he still would not stop with his verbal and somewhat physical expression of how much he adores you. "you're so pretty dear :(" "shut up!"

niki who'd be too embarrassed to confess to you, and ask for a date with you. he's seen his hyungs and their lover, all the cute dates and the affection that they share with their respective partner, he's been dreaming and hoping that you and him could be like them soon! but all he has to do is practically jump off a cliff first! confessing to you is super nerve racking as he finds you so so cool :(. he sees you as someone he looks up to, and works harder for everyday! you're one of the main reasons why tries his best at concerts, dance practices, ect. his hyungs see this too and can never stop teasing the poor boy about it, please just confess to him he begs :(.

so after writing a cute note about how he finds you cute, he hands it to you. "what's this fo- hey come back!"

he can't stand to be there with you as you read the note, please bear with him! :((

he remembers everything clearly,

at 8:02 pm on a friday night, you message him "i feel the same way riki :)"

he swore that his mind turned to mush, rereading the simple sentence you had sent him.

"riki?? why aren't you replying????"
